

It seems most everyone is calorie conscious. We are concerned with our weight and how we look. I recently ran across some information from the November, 2003, issue of *The Guideposts Magazine*. Below is an attempt to recreate a chart showing the calories burnt per hour by activity.

It is clear there is value in singing and working at church. Note the number of calories used by Preschool Workers. This number might be a reason to volunteer to teach the toddlers. It surely beats sleeping through the sermon.

Remember attending church is healthy for all of us.

Bro. Mike T.

Currently the Tennessee Legislature is not able to enact laws addressing abortions. This proposed amendment takes the law making process from the courts and returns it to the legislature. A "yes" vote is needed to pass this. Failure to vote is a "no" vote.

Church News

CHAPEL HILL - We have had one join by baptism. The attendance for our Wednesday night fellowship has been great. The greatest growth has been in our children and youth classes. The children have had outings to the bowling alley, skating, and Cub Lake for soccer and a cook-out. We are all geared up for VBS. The adult class has been having attendance of about 25 people. Come join us for a special day the fourth Sunday in June; homecoming, dinner on the grounds, and special singing. Tommy Smith, interim pastor.

FLATWOODS - We recently held a revival with Kenny Carr

from McKenzie as evangelist. There were four new additions by baptism and two by letter. We also had a high attendance day on May 4th with 111 in attendance. Hoyt Wilson, interim pastor.

HOUSE OF WORSHIP - Our ladies met at Dave's Smokehouse for a women's night out. The coke fundraiser is over and was a great success. Our mother's were honored on Mother's Day. Everyone enjoyed our guest speaker from Union University. Our annual community cook-out was enjoyed by young and old alike. There was plenty of food and games for all ages and
